It will be welcome news to dyspeptics to learn of a remedy that, in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Pepsin.

We all know the value of pure pepsin in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthy of Forsythe, Ga., got to the point where he could not even eat or digest vegetables and after many years of seeking he found the cure in Dr. Caldwell's Syrup Pepsin. Mr. Rudy Kasser of Moline, Ill., was in the same bad predicament with his stomach, took Syrup Pepsin and is now cured.

Hundreds of others would gladly testify.

It is a guaranteed cure for indigestion, constipation, biliousness, headaches, gas on the stomach and similar complaints. A bottle can be had at any drug store for fifty cents or a dollar, but if you wish to make a test of it first, send your address to Dr. Caldwell and he will supply a free sample bottle, sent direct to your address. You will soon admit that you have found something to replace salts, cathartics, breath perfumes and other temporary reliefs. Syrup Pepsin will cure you permanently.

A Speedy Cure for Constipation, Biliousness, Dyspepsia, Indigestion, Liver Complaints, Tired Feeling, Bad Taste in the Mouth, Bad Constipation, Nervousness and all diseases of the Stomach, Liver and Bowels.

"Bloodline Liver Pills" act gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. The pills, in old and chronic cases of constipation and indigestion, act at once, without gripping, nor do they leave any unpleasant after-effects, nor form a constant habit of purging, produced by other cathartic remedies.

"Bloodline Liver Pills" restore the deranged and torpid liver to its normal condition and healthy action. Remove and prevent constipation by securing a natural and regular operation of the bowels, and relieve those unpleasant symptoms which attend a diseased or morbid condition of the liver, stomach and bowels. To assist in attaining this end, the following suggestions are offered.

REMARKS. Everyone who uses pills for their action on the liver, should know that large doses rarely prove as satisfactory as small ones. Large doses simply purge and pass out of the system, usually leaving the bowels constipated, and seldom removing the cause of the trouble, or improve the general health. On the other hand, small doses develop the alterative effect of the medicine, do not irritate or constipate the bowels, but gently stimulate the liver and prevent the accumulation of bile by directing its flow into the proper channels. Therefore it is advisable to commence by taking one or two pills at bedtime and increase dose as necessary.

PORTLAND, ME.

GENTS:—I find your "Bloodline Liver Pills" the most effective pill I ever used. They cause no gripping or constipative after effect as most liver pills do.

Yours truly,
MRS. AMADA RICHARDSON.

The Lamp That Saves The Eyes

Children naturally never think of possible strain on their eyesight when poring over a fascinating book.

It is up to you to see they do not ruin their young eyes these long evenings by reading under a poor light.

The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.

Easily lighted without removing shade or chimney; easy to clean and rewick. Solid brass throughout, with handsome nickel finish; also in many other styles and finishes.

Ask your dealer to show you his line of Rayo lamps; or write for descriptive circular to any agency of the

Walter Price Gives Bond.

The examining trial of Walter Price, who shot and killed his brother, Bryan Price, and Chapman Renaker, at Cynthiana on the night of October 31, was held before County Judge T. E. Kirg Thursday and he was held over to the grand jury in one thousand dollar bond, which he gave. Price, in his testimony, claimed he shot in self defense, that Renaker was advancing on him with a knife and that he shot his brother accidentally while shooting at Renaker. He said that after the first altercation with Renaker and another man he and his brother left and Renaker followed him up. James Wyatt, who was on duty the night of the killing, near the scene of where the shooting took place and who was one of the first to arrive after the shots were fired, says he saw someone pick up a knife and other witnesses corroborate Price's statements in the main.
